the music in them!

Our bi-annual show gives our

to **shine bright** on the
big stage!

Here is everything you need to know about being part of
the show. Grab a cuppa, and take a read-through. It should
help you make an informed decision about signing your
child up to take part.

When you're ready, you can sign your child up by clicking
the link below and completing the sign-up form.

The deadline to sign up is 28/03/26

THE IMPORTANT STUFF!

Please read through the next few pages carefully then skip onto the class/es that are relevant to your child for detailed information regarding their dance, times, hairstyles etc.

DATES

28th June - Dress rehearsal

29th & 30th June - Show days

You MUST be available for all the dates above.

Both performances on the 29th & 30th are the same.

Students are required to attend both performances and the dress rehearsal.

VENUE

The Winding Wheel

13 Holywell St,

Chesterfield, S41 7SA

The dress rehearsal and both shows will be held here. There are several car parks nearby in the town centre.

TIMES

Show starts:

5:30pm

Dancers to arrive at 5:00pm

Show ends:

8:00pm

Collection:

8:15pm

The show consists of 2 acts with a 15 min interval. Drop-off/collection will be via the stage door around the back of the theatre. **Our youngest students will be collected during the interval at 6:30pm.**

TICKETS

Tickets for spectators will go on sale on **24th April** and can be purchased for £15 from Chesterfield Theatres.

CHAPERONES

We Need Your Help to Make the Show Happen!

Our show cannot go ahead without enough licensed chaperones to support our students backstage. **A DBS check alone is not enough.** The council requires all chaperones to hold a full chaperone licence. This isn't our rule, but the council's safeguarding regulation. Adults will not be permitted backstage without a chaperone licence.

[To apply for a volunteer chaperone licence, click here.](#)

To obtain a licence, you will need to:

- Attend an online chaperone training session.
 - Provide 2 suitable references.
- Have an enhanced DBS check performed by the council.
 - Provide 3 identity documents for the DBS check.
 - Provide a photo of yourself for your ID badge.
- Undertake online safeguarding training provided by the council.

From the date of application, it will take approximately 6 to 8 weeks before a chaperone licence can be issued, and it will be valid for 3 years.

The licence fee is £15, which we are happy to cover. Please let us know before you start your application.

Our students need your support to help the magic happen on show day!

If you are interested or already have your chaperone licence, please let us know on the sign-up form.

All chaperones MUST attend the dress rehearsal on the 28th and one performance, either the 29th or 30th, so that you can watch on the night you're not helping.

WHAT TO WEAR

Students should arrive in their show T-shirt, black bottoms, and trainers with their hair/make-up (if applicable) done.

Show t-shirts will be given out nearer the time. If your child is in the finale, you will need to provide any black bottoms (shorts/leggings/joggers) and trainers in any colour. Students will change into their costumes at the theatre. All costumes remain at the theatre, they will not bring them home.

MOBILE PHONES

We advise that students leave their phones at home. We will not be liable for anything that is lost or stolen. If they must bring them, then they must be turned off at all times backstage. Photos backstage/in the dressing rooms are strictly prohibited. I'm sure you can understand how easy it can be to accidentally catch another student changing in the background and not even realise it before it is posted on social media. Any student found breaking this rule may be asked to leave immediately.

PHOTOGRAPHY

Taking photos/videos during the show is not permitted. We have a professional photographer and videographer attending so you can sit back, relax, and enjoy the show.

UNDERWEAR

A modesty leotard is a skin-coloured leotard that can be worn underneath costumes to help children feel more comfortable during quick changes. You may want to purchase one for your dancer if they have multiple changes throughout the show. You can buy them from us for £10.

Dancers may feel more comfortable wearing stirrup tan coloured tights if their costumes are short. We have these available for £6.

Depending on your child's costume, you may want to purchase skin-coloured underwear to avoid pants showing under leotards. You can buy these from us for £6.

These items can be ordered on the sign up form.

WHAT TO BRING

No food or drink except water is permitted backstage.

Dancers may bring books/colouring/games to keep them entertained backstage, but please no felt tips/paints/slime that could damage the costumes. You may be liable to pay for any damage to the costumes.

You will need to provide dance shoes (if applicable). All dancers in the finale will need to **arrive in their show t-shirt, black bottoms, and trainers.**

Please arrive with **hair done** ready to dance.

We cannot be held liable for anything that goes missing, please do not bring anything valuable. **Don't forget to label your child's belongings.**

COSTUMES

To keep costs down, we hire costumes. This means you will not get to keep them or take them home. The costumes will arrive the week before the show. We will try them on in class during the final week of rehearsals, then we will take everything to the theatre and have it ready for the students to change into when they arrive.

A huge thank you for helping us to raise £310 towards our costume fund. This helps us to buy the costumes we are unable to hire and keeps the cost of hiring costumes in the future to a minimum.

The photographer will take photos during the dress rehearsal so please come with hair/make-up as it will be for show nights.

YOUR COMMITMENT

By signing up for the show, students are making a commitment to their team. Many routines include partner work, lifts, and formations, so last-minute withdrawals can significantly impact the rest of the class and cause unnecessary worry for other dancers.

We kindly ask for your support in encouraging your child to see this commitment through wherever possible. Often, worries or nerves are the reason children want to pull out, and these feelings can usually be eased with reassurance and understanding. By working together to support and build confidence, we can help ensure the show remains a positive and enjoyable experience for everyone involved.

It's completely normal to feel nervous, worried, or even a little scared before performing. Standing on stage in front of a large audience can feel daunting at any age. More often than not, once the music starts, those nerves turn into excitement, and we see our students come off stage beaming, buzzing, and wanting to do it all again!

We will do everything we can to support our dancers and help them feel confident and prepared. Please do speak to us if you have any concerns, and on show days, give every dancer the biggest cheer and round of applause, it truly makes all the difference.

FAQ'S

Which show is my child in?

Both shows. Both performances on the 29th & 30th are the same. Doing 2 performances prevents us from limiting tickets so everyone can come and watch, and it allows parents to chaperone one and enjoy watching the other (and without chaperones there would be no show at all!)

My child's hair is too short to go in a bun/ponytail, what should I do?

Try doing a half-up half-down style, taking the front of their hair back into a smaller ponytail. As long as their hair is out of their face. We're trying to avoid students pulling their hair behind their ears mid-dance or having hair all over their face. We want to see them shine!

Can I go backstage with my child?

The theatre will only permit licensed chaperones backstage. Drop off/collection will be via the stage door around the back of the theatre.

Adults will not be allowed backstage without a license.

Will my child get bored backstage?

There is so much excitement during showtime and the children love being with their dance friends. They are having so much fun on and off stage that they don't get bored, but you can bring books/games etc to keep them entertained if you wish.

When will my child get their costume?

Costumes arrive the week before the show. We will try them on in class, but they will remain with us. Students will not bring their costume home. Show t-shirts will be handed out in class a few weeks before the show. Please don't wear these to class until after the show.

What time does my child need to be there?

You will need to check your class page for dress rehearsal times as each class is different.

Show nights: students need to arrive at 5pm. The show will start at 5:30. Those only in the first half will need to be collected at 6:30. Everyone in the full show will need to be collected at 8:15.

Why do I have to pay for a ticket to watch my child dance?

The Winding Wheel is a beautiful venue and provides a fabulous experience for our students to perform at, but it comes at a rather high cost. Selling tickets for each performance helps us to cover the cost of the theatre and staff.

Your show fee covers your costume hire and accessories, rehearsal fees, a printed programme and a show t-shirt.

My child is in multiple dances with different hairstyles, which one should I do?

Put their hair in a bun if possible. There won't be time to change hairstyles between dances, and that's absolutely fine. However, if a bun makes acro tricky, then go with an acro-friendly style instead. We're really not fussy. As long as it's neat and off their face, that's perfect!

My child cannot be photographed/filmed but wants to do the show, is this possible?

Please speak to Miss Jo asap. We want everyone to be included but it would be better to discuss the options to work around this with you in person.
